All-in-one wireless colour A4 ink tank printer

The MFC-T920DW is a true all-rounder with print, copy, scan and fax functionality. On top of that it offers automatic document feeding and a range of connectivity options, such as LAN, Hi-Speed USB or wireless, so you can increase your workflow and productivity. With its 4.5cm LCD display, the MFC-T920DW makes it easier than ever to navigate your device and set up tasks.

MFC-T920DW

Key Features:

- Simple to use ink tank refill system
- 2x Black, 1x Cyan, 1x Magenta and 1x Yellow ink bottles included
- Print Speeds of up to 17ipm (images per minute)
- 20 sheet Automatic Document Feeder
- 80 sheet Multi-purpose Tray
- Hi-Speed USB 2.0, Wired Network, and Wireless Network
- Automatic 2-sided printing
- Paper Input of up to 150 Sheet
- 4.5cm LCD display

Simple ink tank system to help you save money as you print

Printing up to 15000 pages*, Brother's quick and easy ink tank refill system helps you achieve high print volumes, while reducing your costs per page. The MFC-T920DW comes with the full 4-colour line up, plus an additional black bottle, in the box, so you can start printing straight away for longer.

A great fit for you and your office

With its multifunctional offering, sleek compact design, wireless connectivity and high yield printing, the MFC-T920DW fits all the requirements of the modern home or office. Additionally, with its automatic document feeder, multitasking has never been easier and the stylish, compact design means it doesn't look out of place wherever you choose to display it.

User friendly device

The MFC-T920DW was designed to make your life easier. With a 4.5cm LCD display, day-to-day use of the machine is straight forward for anyone to use. Additionally, with a range of connectivity options, including LAN, Hi-Speed USB and wireless, you can print from anywhere in the office from your mobile or desktop device.

*Quoted approximate yield is based on Brother original methodology, using industry standard test charts to calculate page yields
