

**Professional  
A3 inkjet  
wireless  
all-in-one  
printers**

**Japanese  
Excellence**  
For Over 100 Years

**The office environment is continuously changing and the demand for a printer you can rely on is growing. Not only is the ability to be Wi-Fi connected to multiple devices key, but you also need to print faster with the option to deliver documents in larger paper sizes.**

Customise how your printers work for your business with a choice of flexible, professional A3 devices that are built to last and meet the needs of your small office or business workgroup.

Our new and improved range of A3 Inkjet devices offer a host of new features, with high ink cartridge yields available for lower running costs. Fast print output speeds, trouble free printing and much improved paper handling enables these new devices to meet your everyday needs, while delivering professional quality printing.

# Increase your print flexibility & speed

## Print bigger

Make your documents more memorable by printing them in A3 Size. With full colour A3 print capabilities, your important training materials or presentation documents will stand out helping you obtain interest from the reader. By printing A3 documents in house you have more control over your deadlines and can expand your opportunities.

## Flexible and easy to use

They don't come much easier to use than these devices, from set up and wireless connectivity, to daily use. Also, if you're working on large documents these all-in-one devices give you the opportunity to focus on your work while it processes your documents. Whether it's printing double sided automatically, thus saving the environment and paper, using the Automatic Document Feeder for multi-page scanning, or presenting your documents in A3 size, it's sure to improve your efficiency and productivity.

## Scanning technology

As all-in-one devices these machines do so much more than print. The scanning opportunities available for example can significantly enhance your productivity from home. You can scan in colour or mono at high speeds to several destinations to boost workflow.

## Built to last

You need a device you can rely on. These A3 professional all-in-one devices have been engineered into robust business devices, delivering fast, secure and professional quality to suit the growing needs of your business.

**Redefining  
printing  
technology**

## Powerful next generation, high density printing

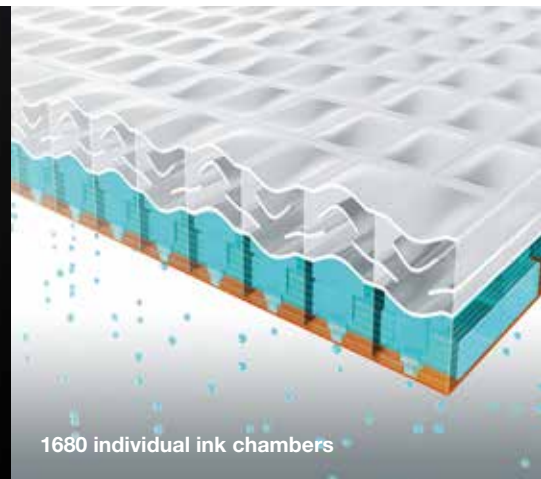

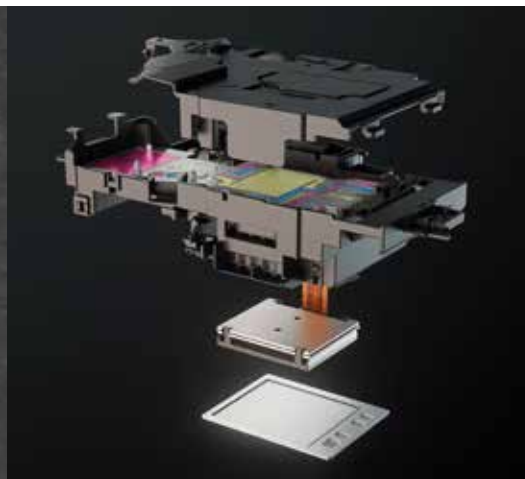

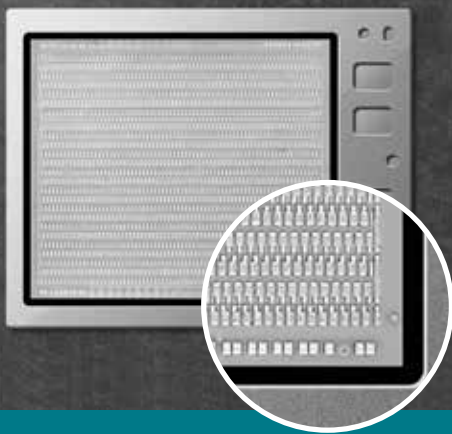

Through years of meticulous engineering design, our engineers have worked tirelessly to redefine our inkjet core technology. Striving to create more precise, durable components, to enhance print speed and extend machine life.

Brother's patented MAXIDRIVE print chip utilises a unique dual transformational piezoelectric system that emits ink at high-power.

MAXIDRIVE print chip delivers ultra-fast, durable, premium quality colour printing. Individual ink droplets are provided via 40 micrometer thick film, ejected through 1680 individual chambers across a single print chip.

40µm Piezoelectric element

1680 individual ink chambers

### Enhanced print quality

Each chip carries 1,680 pressure chambers where ink droplets are discharged.

### More durable

Up to 200% more prints in a lifetime. Piezoelectric element engineered to change shape upwards and downwards.<sup>Δ</sup>

### Increased print speed

High speed injection, up to 150% faster with advanced droplet control.<sup>Δ, ϕ</sup>

<sup>Δ</sup> Compared to Brother conventional model  
<sup>ϕ</sup> Only on selected models for colour printing

## Versatile A3 devices and perfect for multi-tasking

# New app: Brother Mobile Connect

The way we live and work is changing rapidly, and to support the flexibility required, we've launched a new app. Brother Mobile Connect provides intuitive, time saving functionality to fit seamlessly into a busy life. Print from anywhere, manage documents and get discounted genuine supplies all from your mobile device.

Brother's original supplies offer peace of mind and quality guaranteed.

**You wouldn't put the wrong fuel in your car, would you? To get the most out of your Brother printer, don't compromise on ink; only Brother genuine ink gives you the perfect print performance every time.**

Brother's genuine ink supplies will not only help keep your printer in the best possible condition for unrivaled print quality, they are more consistent than non-genuine supplies.

You will also save money by avoiding the incurring costs for re-prints or dead-on-arrival cartridges, Brother ink helps you get it right first time.

## App features

Effortless print / scan experience

Send a print job, any time, any place

No more lost scanned files

Customisable interface

Replenish ink cartridges, quickly and easily

# Specification and Features

1. Print Speeds based on ISO/IEC 24734
2. FPOT (First Print Out Time) based on ISO/IEC 17629
3. Scan Speeds based on ISO/IEC 17991
4. Copy Speeds ESAT based on ISO/IEC 24735
5. Mobile Printing - optional Download
6. Capacity calculated with 80g/m<sup>2</sup> paper
7. Approx. declared yield value in accordance with ISO/IEC 24711
8. The first time you install a set of ink cartridges the machine will use an amount of ink to fill the delivery tubes for high quality printouts. This process will only happen once. The amount of ink remaining<sup>7</sup> will be a minimum of 358 pages BK and 358 pages CMY

## General

6.8cm Colour Touchscreen

8.8cm Colour Touchscreen

A3 Print 1-Sided

A3 Print 2-Sided

256MB Memory

## Print <sup>1,2</sup>

1-Sided Print Speed - 28ipm Mono / 28ipm Colour

2-Sided Print Speed - 21ipm Mono / 21ipm Colour

FPOT (First Print Out Time) - Up to 4.6 second (colour), 4.4 second (mono)

Up to 2,500 pages Recommended Monthly Print Volume

## Scan <sup>3</sup>

1-Sided Scan Speed A4 - 25ipm Mono / 25ipm Colour

1-Sided Scan Speed A3 - 13ipm Mono / 13ipm Colour

2-Sided Scan Speed A4 - 36ipm Mono / 36ipm Colour

2-Sided Scan Speed A3 - 17ipm Mono / 17ipm Colour

Scan Resolution from ADF - Up to 600 x 600dpi

Scan Resolution from ADF - Up to 600 x 600dpi (mono) / 300 x 600dpi (colour)

Scan Resolution from Scanner Glass - Up to 1200 x 2400dpi (mono) / 1200 x 1200dpi (colour)

Scan to Email, Image, OCR, File, USB, FTP, Network (Windows only), Email Server & SharePoint

## Copy <sup>4</sup>

1-Sided Copy Speed - 25ipm Mono / 16ipm Colour

2-Sided Copy Speed - 18ipm Mono / 13ipm Colour

Copy Resolution Print - Mono & Colour Print: Max. 1200 x 4800dpi

Copy Resolution Scan - Mono & Colour Scan: Max. 600 x 600dpi (FB/ADF)

Copy Resolution Scan - Colour Scan: Max. 600 x 600dpi (FB) / 300 x 600dpi (ADF)

## Fax

14,400 bps G3

33,600 bps Super G3

PC Fax Send and Receive

Up to 50 Location Broadcast

## Connectivity <sup>5</sup>

High Speed USB 2.0

USB Host (Front) - Direct Print/Scan

Ethernet (10Base-T/100Base-TX)

Wireless 2.4 (IEEE 802.11a/b/g/n) with Wi-Fi Direct™

Mobile Printing - Mobile Connect, Brother Print Service Plugin, AirPrint, Mopria

Web Connect (Connect with 3rd party services) & Brother Apps

NFC for mobile print

## Paper Handling <sup>6</sup>

Standard Input Tray - 250 sheets

Manual Feed Slot - 1 Sheet

Multi Purpose Tray Capacity - 100 Sheets

Lower Tray Capacity - 250 Sheets

Automatic Document Feeder (ADF) - 50 Sheets

Output Tray: A4 - 100 Sheets / A3 - 50 Sheets

Media Weight: Standard Tray - 64 to 220g/m<sup>2</sup>

Media Weight: Manual Feed Slot - 64 to 220g/m<sup>2</sup>

Media Weight: Multi Purpose Tray - 64 to 220g/m<sup>2</sup>

Media Weight: ADF - 64 to 120g/m<sup>2</sup>

## Supplies <sup>7</sup>

Product is shipped with LC472 Cartridges<sup>8</sup>

Standard Yield Cartridges 550 Black (LC472BK) / 550 CMY (LC472 C/M/Y)

High Yield Cartridges 3,000 Black (LC472XLBK) / 1,500 CMY (LC472XL C/M/Y)
